and then...

came the GULFSTAR SAILMASTER 39. Because Gulfstar believes the cruising yachtsman deserves innovation and the *creme de la creme*, our designers set out to create the finest 39' sailing yacht in the world.

We have designed a unique aft cockpit sailboat which represents the design trend of the future.

We offer the classic styling, performance, seaworthiness, and visibility of the aft cockpit sailboat, plus spacious live-aboard accommodations.

The Sailmaster 39 has a low profile cabin house that was tailored to fit her sleek, contemporary lines. Below you get all the headroom you would expect, along with an extremely large interior that offers a host of unique features. The forward galley is open and airy and is placed so that the chef can see and converse with people in the main salon.

The salon, as a result of engineered and styled large windows, is as bright and roomy feeling as a yacht many times her size.

The large forward stateroom with an abundance of storage and hanging lockers affords the luxury demanded by the discriminating yachtsman.

Invest and take possession of your Sailmaster 39 — the highbred of her class — *and then... live!*

1. Salon, looking forward.
2. Galley.
3. Entertainment Center.
4. Stateroom looking forward.
5. Head looking forward.
6. Navigation Station.
7. Sailing.
8. Head looking aft.
