HYLAS 47

Performance, comfort and beauty. The Hylas 47 is a superb example of the design excellence and sailing performance associated with yachts conceived by the prestigious firm of Sparkman and Stephens. She is an outstanding sailing yacht that combines ease of handling with speed; exceptional livability with luxury.

The sleekness of her outboard profile conceals the enormous interior volume of the Hylas 47. Topsides, you'll discover a large cockpit for entertaining and wide, walk-around decks for quick and easy sailhandling.

The Sparkman and Stephens Tradition of creating unique accommodations is evident in the Hylas 47. Three large staterooms and a roomy main salon provides her guest with room to stretch out and relax. You'll also appreciate the Hylas 47's unencumbered galley; a culinary center befitting a yacht of her stature.

The Hylas 47 is certainly a blend of those qualities that define a distinguished yacht built to circle the world. She is truly an investment that will reward her owner that's led by instincts the moment one steps on board.
