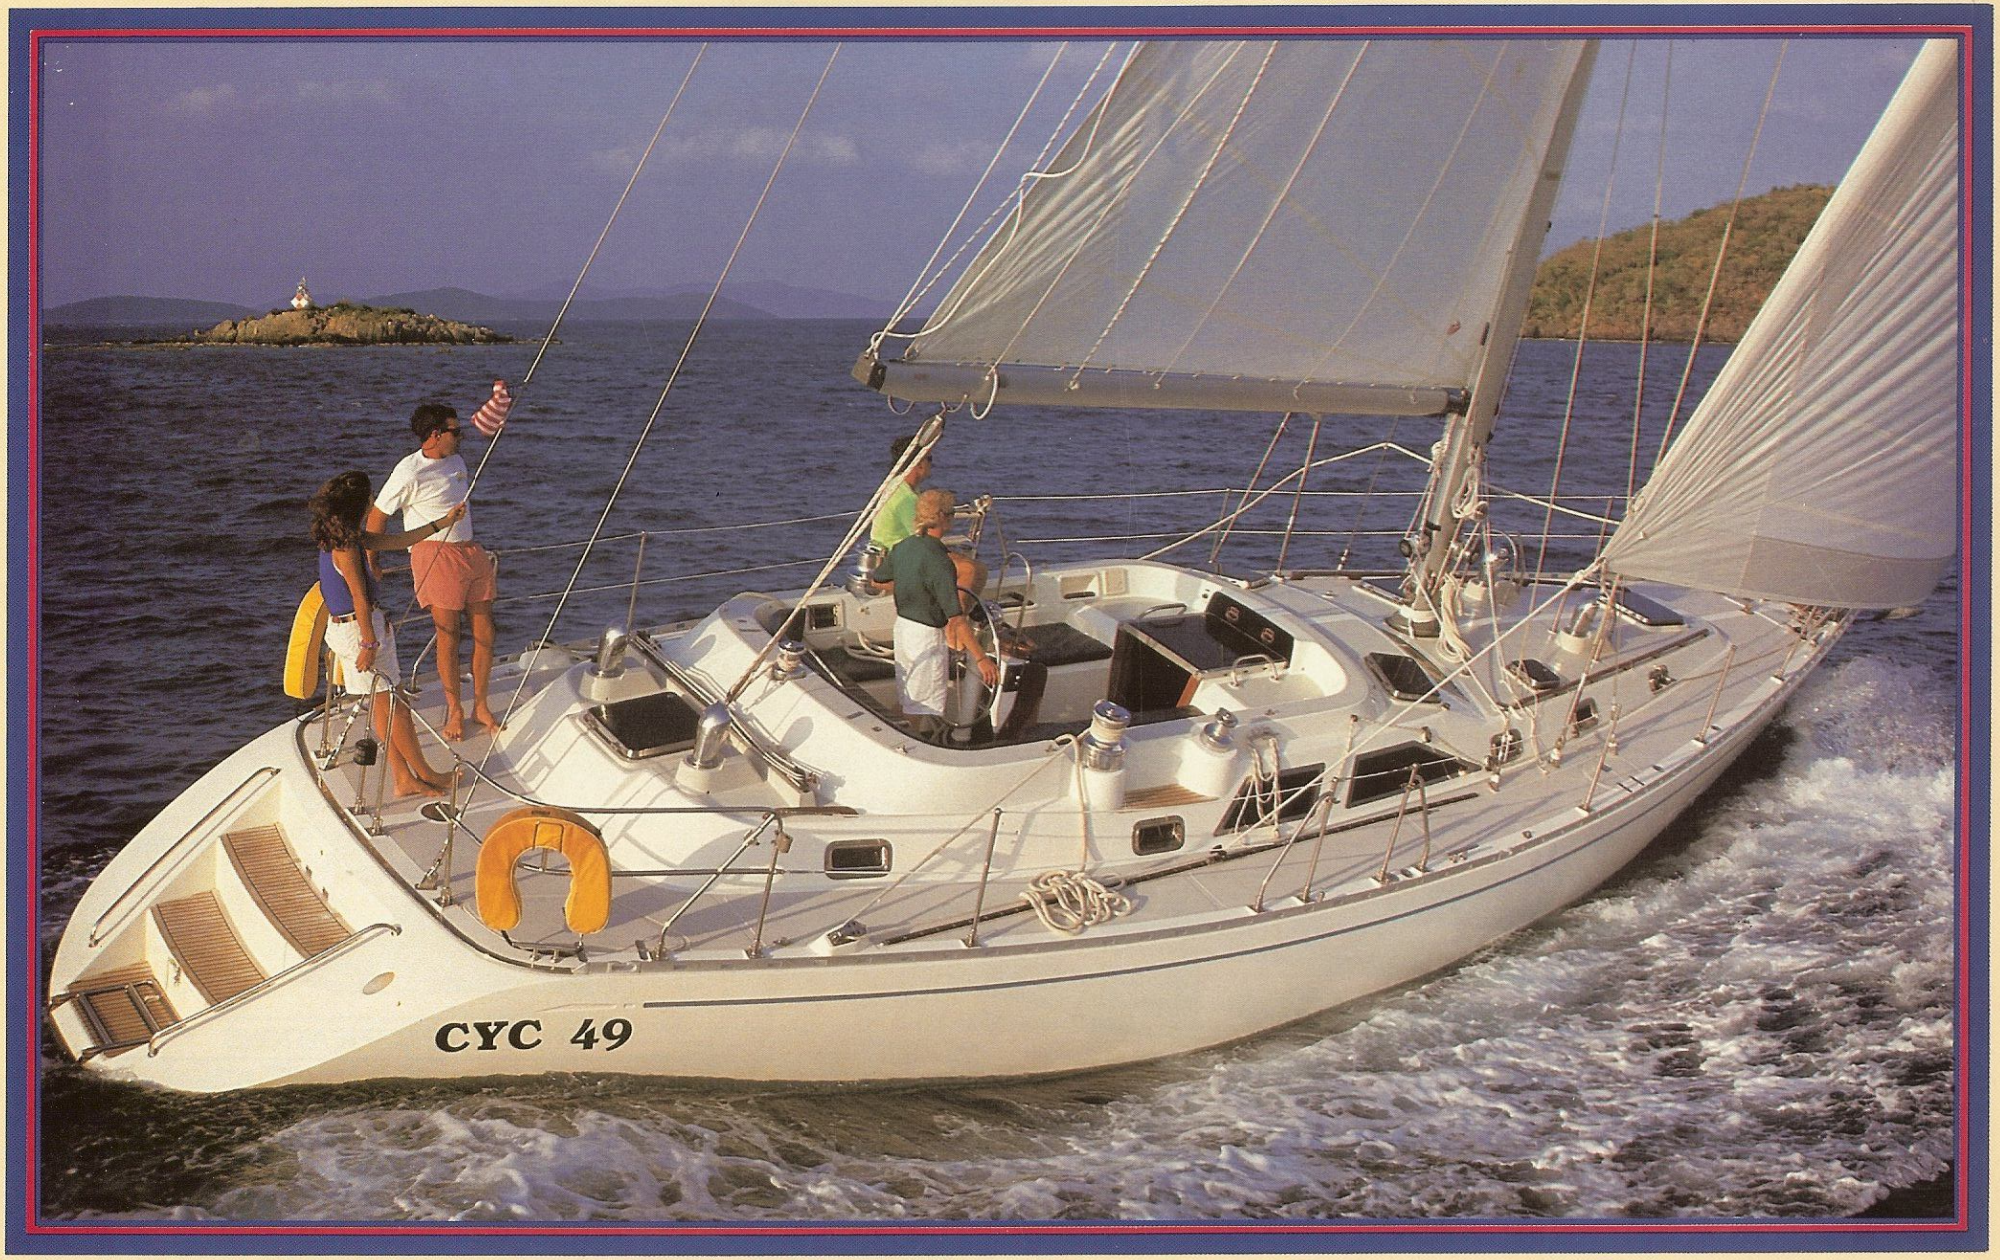
CYC 49

YOU'LL NEVER EXPERIENCE ANYTHING QUITE LIKE IT.



CYC 49....BECAUSE THERE IS NO SUBSTITUTE FOR PERFECTION.

From her sleek reverse transom with a recessed swim platform to the wide expanse of uncluttered deck with her enormous cockpit, the CYC 49 is a superb example of design excellence. The prestigious firm of Sparkman and Stephens has created the perfect charter yacht for the Virgin Islands. At CYC, we feel that our charterers should have a custom design and not just a production yacht. And, of course, with our 25 years of charter experience, we also know what special features our clients need to assure that they will enjoy the best vacation ever. Features like exceptional sailing performance combined with ease of handling. Unique accommodations with dual aft passageways and three queen size staterooms. Of course, the CYC 49 also has our special back-up systems such as dual fresh water pumps, twin alternators, extra water, an electric windlass and lazy jacks.

Once you're at the helm of the CYC 49 with her powerful Sparkman and Stephens underbody, you'll immediately know you made the right choice.
