BEAM 14'3"	BALLAST 14,500 lbs.
DRAFT 6'0"	SAIL AREA 1,051 ft.^{2}

From her sleek reverse transom with recessed swim platform to the wide expanse of uncluttered deck with an enormous cockpit, the Hylas 49 is a superb example of design excellence. The prestigious firm of Sparkman and Stephens has created the perfect yacht for that planned world cruise or, maybe, just a weekend retreat. And, of course, The Hylas 49 has all the special features world class sailors demand. Features like exceptional sailing performance combined with ease of handling. Unique accommodations with dual aft passageways and three queen size staterooms. And special back-up systems including dual fresh water pumps, twin alternators and extra water tankage. Furthermore, the Hylas 49 also has an electric windlass and lazy jacks for effortless cruising.

Once you're at the helm of the Hylas 49 with her powerful Sparkman and Stephens underbody, you'll immediately know you made the perfect choice.
