"Come Hell or High Water."

Welcome to the new world of the CABO RICO PILOT 38.

Sail anywhere in comfort and with complete confidence.

Created for the most demanding cruising couple, the PILOT is the latest evolution of the legendary Cabo Rico 38, and combines its excellent ocean sailing abilities with all the amenities you deserve. The ultimate one couple world cruiser.

2 or 3 staterooms. Inside and outside steering. Separate shower. Huge nav. desk. State of the art sea-going galley. Optional utility room with: washer/dryer, microwave/convection oven, dishwasher, separate chest freezer, vented vegetable bins, and cedar lined linen locker.

A separate workroom with large work bench and tool drawers plus space for a generator, desalinator, heater/air conditioner, and lots and lots of storage.

All this in a true sailing yacht!

The flexible cutter rig, sensible deck layout and sophisticated fuller keel design, produce a yacht of safe size that will point high with an excellent turn of speed, and yet is easily single-handed.

"We succeeded in creating a yacht you can trust in any condition." "This is a yacht that can get you out of trouble."
