## STANDARD EQUIPMENT

### HULL & DECK

Molded fiberglass hull and fiberglass balsa core reinforced deck  
Cove Stripe  
Molded contrasting deck nonskid (gray or beige)  
Aft deck seat lockers  
Propane storage compartment  
Molded cockpit seat lockers  
Anti-fouling bottom paint  
Double stripe boot top  
Aluminum rub rail with stainless steel striker over hull to deck joint

### PROPULSION & STEERING

Fresh water cooled 130 bhp Perkins 6.354 diesel engine with hydraulic transmission  
Insulated engine room  
Three blade bronze propeller  
Stainless steel propeller shaft  
Bronze V-strut  
Electric and manual engine stops  
Alarm system for engine oil pressure and temperature  
Kiddie CO<sub>2</sub> fire extinguisher system in engine room  
Pedestal steering with engine controls and engine instruments  
Sheave and cable steering  
5" compass with binnacle  
Stainless steel destroyer type wheel  
Emergency tiller

### GALLEY

Norcold AC/DC refrigerator/freezer  
Deluxe 3 burner stainless steel propane stove with oven, stainless steel guard rail, solenoid shutoff, and one tank  
Double stainless steel galley sink  
Dish lockers and utensil drawers  
Dry storage bin

### PLUMBING

Two private head compartments, each with marine toilet, vanity, sink and teak framed mirror  
Holding tank for marine waste (Type II approved system)  
Walk-in shower in each head  
Sump pump for each shower  
Bronze seaocks on all thru hulls below waterline  
Bronze gate valves on all thru hulls above waterline  
Pressure hot and cold water system  
Complete polypropylene fresh water plumbing system  
120 volt hot water system  
Manual bilge pump  
12 volt automatic electric bilge pump  
Engine hot water heat exchange system

### ELECTRICAL SYSTEM

120 volt shore power with shore cable and adapter  
Deluxe aluminum electric control panel with circuit breakers for 12 volt DC and 120 volt AC systems  
Heavy duty marine batteries  
Vapor proof battery switches  
40 amp battery charger  
12 volt engine room blower  
Navigation lights  
Masthead light  
Combination bow light and deck flood light  
12 volt vapor proof engine room light with aluminum cage  
120 volt duplex receptacles  
12 volt light fixtures  
Radio ground cable  
PVC chase tube in mast for electrical harness  
Battery paralleling switch for engine starting and house batteries

### DECK HARDWARE

Stainless steel sternhead fitting with integral chocks  
Bow and stern mooring cleats  
Springline cleats and chocks  
Vinyl coated stainless steel double lifelines and stainless steel stanchions  
Welded stainless steel bow pulpit  
Welded stainless steel stern pulpit with offset vinyl coated lifeline gate  
Port and starboard lifeline piles  
Genoa tracks port and starboard with two cars each side  
Three-part mainsheet purchase with winch and cleat  
Two genoa sheet winches and cleats  
Genoa sheets and blocks  
Two winch handles  
Teak handrails, toe rail, drip rails and cockpit coaming cap  
Atkins Hoyle aluminum opening ports with screens  
Large fixed windows in salon  
Removable companionway door  
Atkins Hoyle aluminum hatch with tinted plexiglass on forward cabin house
